

## Wayland Community Garden Community Garden Rules

---

### ***Getting Into the Garden:***

1. The Garden road is open only to gardeners' vehicles from sunrise to sunset during the gardening season.
2. You may park in the grassy lot on the right as you enter.
3. You may park in the Cow Common parking lot across from the Cemetery.
4. You may park along the Garden road, providing vehicles can pass on the road. You may not park in the turnouts or in the ditches along the roadway.

### ***At the Beginning of the Season:***

1. Return all stakes used to mark the plots to the area near the bulletin board.
2. There is a limit of four (4) garden plots per person.
3. There are no half plots.
4. Plots may not be passed along to another person.
5. Any plot which is not in active use by June 15 may be reassigned with no refund.
6. **Plots are approximately 20' wide and 30' long.** Any question on the layout will be resolved by the Conservation Commission and/or its staff.

### ***During the Season (Please, Be Good Neighbors):***

1. Help to keep the garden paths open.
2. Report any water leaks to the Conservation office (508-358-3669).
3. Keep the Garden area free of litter.
4. Compost your organic waste in your plot or at the Garden compost area, which will be marked. Only organic waste from your garden can be composted in the compost area.
5. Do not discard, store, or plant anything outside your plot.
6. Children must be supervised.
7. Do not allow pets outside of your plot unless leashed.
8. Do not use power equipment before 8:00 a.m. or after 6:00 p.m.
9. Use earphones for audio equipment (or quiet radios to repel animals at night).
10. Do not cut or prune any shrubs or trees. The garden property is protected land and any tree or shrub removal is subject to fines.
11. The ditches along the roadway are to be kept free of debris. Do not park in these ditches.
12. Do not trespass into other garden plots or use their tools without permission.
13. No nudity.

***In and Around Your Plot(s):***

1. You may fence your plot with fencing no higher than six feet. Electric fences are not allowed.
2. You may use organic mulch such as hay/straw or landscape fabric to suppress weeds within your plot. Please maintain your garden so as not to infringe on other gardener's ability to garden.
3. Rugs cannot be used to mulch the plots. Any non-biodegradable mulch must be removed by November of each year.
4. Do not connect hoses to town faucets to transport water or to irrigate.
5. Use only organic pesticides and fungicides (e.g. Rotenone, BT, and the products of Safer, Inc.).
6. Do not use any herbicides.
7. Do not grow any cannabis.
8. Keep all raspberry plants confined to your own plot and prune as necessary.

***For Your Assistance:***

Hay bales ordered at the time of application will be delivered to each plot.

If compost is provided, please comply with posted limitations.
