Re: Coach Grill Restaurant

The Town was informed today that an employee of the Coach Grill Restaurant tested positive for Covid-19 yesterday. Contact tracing has been done and the restaurant is following all CDC and state protocols including deep cleaning and disinfecting of the workplace in accordance with current CDC guidance. There are no contacts that have been identified as patrons of the restaurant.

We continue to urge all residents to evaluate their own health and determine if they are feeling mildly ill with a head cold, headache, cough and/or experiencing any CDC identified symptoms of COVID-19, which include fever, cough, and shortness of breath. If you are feeling any symptoms, we advise you to contact the Wayland Health Department at the Coronavirus Hotline 508-358-6805 and your primary care physician for guidance. If you or anyone in your family has any symptoms of being ill, we advise you to stay quarantined at home until you are feeling better and follow up with your primary care physician as needed.
