

Preventive Rewards Program

Nothing is more important to us than your oral health. That’s why we’ve introduced the Preventive Rewards Program. When you choose this benefit enhancement, none of your preventive dental services count toward your annual maximum, allowing you to stretch your benefit dollars.

Here’s how the Preventive Rewards Program works:

- Let’s say your annual maximum is **\$1,500**.
- Each year, you receive:
 - **Two cleanings**
 - **Two exams**
 - **X-rays**
 - **Fluoride Treatment**
 - **Sealants**
- At the end of the year, your annual maximum **remains \$1,500**

Example only. Refer to your specific coverage.

Why preventive services matter

Your mouth is a window to your body. Diseases such as cancer, heart disease, kidney disease and diabetes can sometimes be identified by your dentist during preventive services like routine dental exams, cleanings and x-rays.

Prevention plays a key role in good oral health, and that can lead to good overall health. Ask about our Preventive Rewards Program today.
