	<p>The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, www.harvardpilgrim.org/LGsampleEOC. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary or call 1-888-333-4742 to request a copy.</p>	
Important Questions	Answers	Why this matters
What is the overall <u>deductible</u> ?	Out-of-Network: \$100 member/ \$200 family Benefits are administered on a calendar year basis.	Generally you must pay all the costs up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, they have to meet their own individual <u>deductible</u> until the overall family <u>deductible</u> amount has been met.
Are there services covered before you meet your <u>deductible</u> ?	Yes: <u>In-Network durable medical equipment</u> , <u>emergency room care</u> , <u>emergency medical transportation</u> , prescription drugs, outpatient mental health services, <u>preventive care</u> , <u>provider</u> office visits, <u>rehabilitation services</u> , <u>habilitation services</u> , routine eye exams, are covered before you meet your <u>deductibles</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But, a <u>copayment</u> or <u>coinsurance</u> may apply.
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	In-Network: \$2,000 member/ \$4,000 family Separate <u>out-of-pocket limit</u> applies to Pharmacy, see "If you need drugs to treat your illness or condition".	The <u>out-of-pocket limit</u> is the most you could pay in a year of covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limit</u> until the overall family <u>out-of-pocket limit</u> has been met.

Clarification on SBC format

As of April 1, 2017 the federal government has issued a new format for the *Summary of Benefits and Coverage* (SBC) document. One of the most significant changes to the format is the way deductibles are referenced in the cost-sharing chart. The cost-sharing chart shows copayments and coinsurance **after** the deductible has been met.

- A statement appears at the top of the chart noting that all copayments and coinsurance are **after the deductible has been met**, if a deductible applies (see example below). Please note that this wording appears only at the top of the chart.

All copayments and coinsurance cost shown in this chart after your deductible has been met, if a deductible applies.

- If the deductible does not apply to a benefit, the phrase "deductible does not apply" appears in the chart.
- If the "What You Will Pay" column, indicates "no charge," this means no charge **after** the deductible has been met.

Common Medical Event	Services You May Need	What You Will Pay		Limitations, Exceptions, & Other Important Information
		Network Provider (You will pay the least)	Out-of-Network Provider (You will pay the most)	
If you have a test	Diagnostic test (x-ray, blood work)	X-rays: No charge Laboratory: Select Providers: No charge; <u>deductible</u> does not apply. Other Plan Providers: No charge	Not covered	None
	Imaging (CT/PET scans, MRIs)	No charge	Not covered	Cost sharing may vary for certain imaging services.

We encourage readers to reference *Schedule of Benefits* documents for cost-sharing details. The *Schedule of Benefits* is the contract between a member and Harvard Pilgrim Health Care and is the more complete document.

Harvard Pilgrim Health Care includes Harvard Pilgrim Health Care, Harvard Pilgrim Health Care of Connecticut, Harvard Pilgrim Health Care of New England and HPHC Insurance Company.

Important Questions	Answers	Why this matters
What is not included in the <u>out-of-pocket limit</u> ?	Prescription drugs, <u>premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See https://www.providerlookuponline.com/harvardpilgrim/po7/Search.aspx or call 1-888-333-4742 for a list of <u>preferred providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance-billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without permission from this <u>plan</u> .

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
