Re: Update on Wayland Businesses – Liberty Pizza Reopened

Thank you for your patience as Wayland continues to address multiple facets of its COVID-19 response plan. The following is an update on Liberty Pizza, 116 Main Street, Wayland:

Liberty Pizza, 116 Main Street, Wayland: Liberty Pizza has reopened. The store worked cooperatively with the Wayland Health Department and Director of Public Health to follow all CDC protocols for reopening. All employees and family members who had close contact with the COVID-19 positive person are in self-quarantine and will not be working. The building was deep cleaned and all perishable food products were disposed of prior to reopening.

We continue to urge all residents to evaluate their own health and determine if they are feeling mildly ill with a head cold, headache, cough and/or experiencing any CDC identified symptoms of COVID-19, which include fever, cough, and shortness of breath. If you are feeling any symptoms, we advise you to contact the Wayland Health Department at the Coronavirus Hotline 508-358-6805 and your primary care physician for guidance. If you or anyone in your family has any symptoms of being ill, we advise you to stay quarantined at home until you are feeling better and follow up with your primary care physician as needed.

The Town will also provide general help for residents who may need assistance obtaining basic and important life necessities, such as food or medications, by calling 508-358-7701.
