MOTION- 2021 STM

ARTICLE 1: TOWN CODE § 95.1 MORATORIUM ON SYNTHETIC/ARTIFICIAL TURF

I MOVE YOU SIR:

that the Town vote to add a new Chapter 95 to the Town Bylaws entitled, “Moratorium on Synthetic/Artificial Turf” as shown below prohibiting the construction of synthetic or artificial turf on Town land for three years. This bylaw will not affect the use or maintenance of the existing synthetic turf field at the high school.

Town Code § 95.1 Moratorium on Synthetic/Artificial Turf

Purpose: The use of synthetic/artificial turf on athletic playing fields entails myriad public health and safety, environmental, and climate concerns. Wayland must carefully evaluate whether such use, even where privately funded, is consonant with Wayland's athletic needs, the health and safety of its children, residents in general, and the environment, and the Climate Emergency Resolution adopted by town meeting in May 2021.

This moratorium allows the Town the opportunity (a) to examine the extent to which synthetic/artificial turf is injurious to public health and safety, the environment and the climate compared to natural grass solutions, and (b) to determine if natural grass solutions based on the use of the latest techniques for

grass field construction and organic maintenance create viable alternatives for Wayland.

“Synthetic/artificial turf” means any of various artificial, synthetic or partially synthetic carpetlike materials made to resemble grass, including the infill and liners, used as a surface for athletics, sports or other recreational activities.

The Town of Wayland shall neither install nor authorize or allow the installation of synthetic/artificial turf on any real estate owned by the Town, for a period of three years from the effective date of this moratorium.

This restriction shall not apply to the use or maintenance of the synthetic/artificial turf field at Wayland High School installed prior to the adoption of this bylaw amendment.

Majority vote required – *see Massachusetts General Laws Chapter 39, Section 16, Massachusetts General Laws Chapter 40, Sections 21 and 23, Chapter 43B, Section 20, and Section 8 of Amended Article 2 of the Massachusetts Constitution.*

Town Counsel has reviewed this Article and is of the opinion that this Article is not repugnant to state or federal law.
