The Wayland Board of Selectmen is seeking volunteers to serve on the Town Administrator Screening Committee. Members of the Screening Committee will work with the Town's consultant, Community Paradigm Associates, in identifying finalists for the Wayland Town Administrator position. The selected finalists will be brought to the Board of Selectmen for consideration. It is anticipated that a preponderance of the Town Administrator Screening Committee's activity will transpire during mid- to late-June, during which time the interviews of semi-finalists are expected to occur.

Wayland residents interested in volunteering to serve on the Town Administrator Screening Committee are asked to submit a letter of interest to:

Elizabeth Doucette
Acting Assistant Town Administrator
Wayland Town Building
41 Cochituate Road
Wayland, MA 01778
