1. Budget: DPW - \$75,000

Title: Compactor Replacement

Project Advocate(s): DPW Director

Description & Justification: This is a utility upgrade to furnish and install a trash compactor with container. Compactors wear out as a result of the extensive use of their hydraulic systems. They also suffer from exposure to both the elements and the materials thrown into them. Replacing the compactor ensures that it will remain in service and less likely to be subject to expensive hydraulic system repairs.

4. Budget: DPW - \$250,000

Title: Sidewalk Improvements

Project Advocate(s): DPW Director

Description & Justification: The request provides funds specifically targeting the renewal and expansion of the Town's sidewalk system in accordance with the Sidewalk Improvement Plan. Improvements will include the provision to add ADA required modifications to the sidewalk system. Sidewalks planned for rehabilitation are Pequot, Old Connecticut Path (West to Charena). Funding appropriation will support design, construction, legal & personnel services. The Town's roadways have historically been the primary recipient of transportation improvement funds. More recently it has become apparent that non-motorized transportation (pedestrian and bicycle) warrants investment. Previous levels of funding are not sufficient to provide for the renewal and expansion of the Town's pedestrian system.

Relationship to General Plan: Infrastructure maintenance

History: Planned and ongoing - FY2025 funding request increased by \$100,000 from

previous plan

Source of Funds: Free Cash In the 5 Year Capital Plan?: Yes

Title: Town Wide Road Reconstruction

Project Advocate(s): DPW Director

Description & Justification: Funding to continue road improvement projects on the Town's 96 miles of roadway. At present construction rates, resurfacing costs approximately \$250,000 per mile. This funding will be combined with State Chapter 90 funding for FY24 road rehabilitation that is expected to include Concord, Lakeshore Terrace, French, Griffin, York, Campbell, Grove, Dairy Farm, Stonebridge. This is an annual program that ensures the Town's roads and municipal ways remain in safe and usable condition. Schedule is based on

required water main projects, drainage issues, and pavement conditions. This level of funding represents a 15-17 year resurfacing schedule.

Article R. Rescind Unissued Debt

Proposed by: Select Board

To determine whether the Town will vote to rescind the previously authorized but unissued debt in the amount of \$2,500,000 related to the following borrowing authorization, at various town meetings, that are deemed no longer necessary because the project funded by the borrowings has been completed or lower amounts are applicable:

1. Launcher Way Acquisition

Authorized ATM 5/15/22, Article 22

FINANCE COMMITTEE COMMENTS: Passage of this article will rescind borrowing authorization that is no longer necessary because the relevant project has either been completed, are no longer being considered, or has been inactive for a long time. Rescission will increase the Town's borrowing capacity by \$2,500,000. Passage of the article does not prevent the Town from funding a similar capital item in the future. Following is a listing and status of the authorized but unissued debt being considered for rescission:

				Unissued Debt
		Original	Previously	to
Project	Status	Authorization	Rescinded	Rescind
Launcher Way Land Acquisition	Cancelled	\$4,000,000	\$1,500,000	\$2,500,000

Launcher Way Land: The Town did not win the bid to acquire this land but was the second-place bidder at \$2,300,000. The Town voted to rescind \$1,500,000 of the \$4,000,000 authorization at the 2023 Annual Town Meeting in case the winning bidder did not close on the land and the Natick Soldier Systems Center (NSSC) choose to award the land to the Town as the second-place bidder. The winning bidder subsequently closed on the land and thus this article recommends rescinding the remaining 2,500,000 of the original \$4,000,000 authorization.

The Select Board recommends approval. Vote: 5-0-0

ARGUMENTS IN FAVOR: The Town's ability to borrow for these items will be rescinded since it is no longer necessary to borrow these funds.

Approval of this article will increase the Town's borrowing capacity and is good municipal financial management.

ARGUMENTS OPPOSED: The Finance Committee is not aware of any.

RECOMMENDATION: The Finance Committee recommends approval. Vote: 6-0-0

QUANTUM OF VOTE: Majority.

Proposer's Comments (if needed, 150-word limit per Town Code):

For a moment, set aside every preconceived notion of industrial-looking self-storage you may have in your mind. Chain link fence, metal roll-up doors, fluorescent colors, garish lights. All gone. Instead, imagine a building that looks like a well-designed retail/office building, fitting into our village setting: traditional doors, windows, siding, details, low lighting, historic colors, neighborhood scale. All storage loading is indoors, hidden. The building appears as 2-story with a peaked roof, like Cochituate buildings. Low traffic, low noise, low impacts. A quiet neighborhood addition. Then add Arts Wayland to the mix with a 3,500 sf community space, finally a new home to grow and thrive, which brings the arts back to Cochituate at a central, walkable location, at no cost to the Town. Retail Self Storage zoning can accomplish all this-plus Wayland reaps more tax revenues here than Donelans/110 Grill and Starbucks plazas combined. Curious? See https://homeforartswavland.com.

Article NN. Solar Compact Development for Wayland

Proposed by: Petitioners' Article

Article Description (final language to be provided by Town Counsel based on description provided):

Estimated Cost: N/A

To see if the Town will vote to amend the Town Code, Chapter 198, Zoning, to amend Article 18 Conservation Cluster Development District to allow Solar Compact Conservation Clusters, embodying Wayland's Green Community commitment by encouraging conservation clusters which prioritize green land use, housing design and agriculture, by amending Section 198-1803 to add a new section 1803.1.8, and by amending Section 198-1805 to add a new section 1805.3, and by amending Section 198-1807 to add a new section 1807.2 as follows:

Proposer's Comments (if needed, 150-word limit per Town Code):

- 1803.1.8 For a Conservation Cluster Development which includes rooftop solar, high performance energy standards, efficiently sized units, clustered community-centric design, agriculture, and land and water conservation, hereafter a "Solar Compact Conservation Cluster", a total of two dwelling units per acre on the tract of land shall be allowed, with frontage, lot size, setback and driveway Conservation Cluster Development requirements waived. A site plan that shows all of the information required for a definitive sub-division plan as in the Planning Board Subdivision Regulations is not required. Approval shall be by the Planning Board by Site Plan Approval, as long as all Solar Compact requirements listed below are met.
 - 1803.1.8.1 The area of tract of land is not less than 8 acres.
 - Minimum setback shall be 50 feet to any lot line. Existing natural tree cover shall be maintained in this setback, except as needed for driveway access.
 - All paving may be semi-permeable, including gravel. Site driveways shall not be considered as roadways, and existing driveways may be reused, all with the intent to minimize paved surfaces and reduce light pollution and land disturbance.
 - Minimum dwelling unit size in 450 square feet and maximum dwelling unit size is 2,000 square feet. Units shall be semi-detached, connected to each other on at least one level but not all levels (i.e. specifically precluding multifamily buildings with multiple units on multiple floors), and more than four units may be connected in the manner, to minimize overall land use.
 - 1803.1.8.5 The development shall achieve a HERS net zero rating (Home Energy Rating System equal to 0) as determined by a certified HERS rater.
 - Rooftop solar panels shall be installed at a minimum of 450 square feet per dwelling or accessory dwelling unit. The maximum height of any sloped roofline to accommodate such panels may exceed the typical 35' residential height limit, only if the maximum height does not exceed 20' above the ground elevation of the nearest lot line, to ensure visual impacts to neighboring parcels, if any, are minimized.

1803.1.8.7	Any unit may have an accessory dwelling unit ("Solar Compact ADU") no larger
	than 900 square feet. Primary Units may be any size. Any such Solar Compact
	ADU shall be included in the unit density count of two units per acre.

- At least 70% of the land area of the tract of land shall be set aside as Open Land to be owned by a trust or association to be owned by the unit owners within the tract.
- 1803.1.8.9 A minimum of five acres of the Open Land shall be utilized for agriculture. Greenhouses and ancillary farm structures are allowed.
- 1803.1.8.10 Roof storm water shall be collected and stored for irrigation and grey water uses, including the use of cistern structures within, and adjacent to buildings.
- 1805.3 For a Solar Compact Conservation Cluster, approval and decision shall be by Site Plan Approval in accordance with Chapter 198, Article 6
- Site plan approval granted under this article for Solar Compact Conservation Cluster shall lapse within 60 months if substantial construction has not begun by such date, except for a good cause shown and approved by the Planning Board.

FINANCE COMMITTEE COMMENTS:

The 2021 Annual Town Meeting (ATM) declared a climate emergency and called for Wayland to develop a Climate Action Mobilization Plan (CAMP). The 2022 CAMP calls for reductions in energy use in new construction and rehabilitations of municipal buildings.

Wayland's existing solar arrays are part of the Town's efforts to implement the town-wide mobilization of municipal departments, boards, commissions, residents, and businesses to reduce community-wide greenhouse gas emissions called for the 2021 ATM and the 2022 CAMP.

Based on the limited information we have received, the objective of this idea appears to be to lay the foundation – through zoning initiatives – to permit future residential developments that will leverage highly efficient building materials and solar energy. This objective seems to be consistent with both the aim of the 2022 CAMP and ongoing initiatives by the town in respect thereof.

At this time, it remains unclear as to whether this Article will require a new zoning bylaw or a zoning bylaw amendment. In either case, the Planning Board has not yet held a hearing on it, and, in turn, it has not yet voted on it.

Once we clearly understand what is being proposed, and after the Planning Board has done their diligence and provided their views and their vote, the Finance Committee will be in a place to evaluate this Article further.

Re: Request for Vote by Select Board to Transfer \$150,000 of FY24 Expenses from School

Department's Operating Fund to the Special Education Reserve Fund

On March 13, 2024 the Wayland School Committee voted (5-0) to approve an expense transfer of \$150,000 from the Special Education Transportation account to the Special Education Reserve Fund. Per M.G.L. c. 40 sec 13E, funds can only be expended or transferred out from the reserve fund after a majority vote of the School Committee and a majority vote of the Select Board, Please find attached a copy of the expense transfer form and back up documentation for the Select Board's vote to approve.

Background

At the Annual Town Meeting in 2023, the Town created the Special Education Reserve Fund and funded it with a payment of \$150,000. These funds are used to help fund unanticipated or unbudgeted costs of special education, out of district tuition, transportation costs, and recovery high school tuition. The section below provides a financial summary of Special Education Actual and Projected Costs and Sources of Funding for FY24 included in the School Department's FY24 Second Quarter Financial Report:

Anticipated Special Education expenses increased by approximately \$213,734 since the first quarter report was presented. Driven by changing student needs, new students with special education requirements, and the Individual Education Plan process, Special Education out of district costs can and do fluctuate, sometimes significantly, from when the budget was first developed nearly two years ago. For example, the FY24 budget was developed in October, 2022.

Illustrated in the table below, please find special education out of district anticipated expenditures and the several sources of funding identified to pay for the services for FY24 Quarter 2, including the Special Education Reserve Fund. The net projected shortfall of (\$136,291) between the total projected costs and all sources of funding must be absorbed within the operating budget. Please note the pending placement estimates noted in each quarterly summary below represent forecasted costs associated with potential placements actively in process:

Memo to Select Board and Town Manager Regarding Collection of Water Bills

Town Manager and Select Board Members:

The Water Division of the Department of Public Works (DPW) issues water bills to roughly 5,000 account holders in Wayland every year. At the close of every Fiscal Year, there are generally around 150 account holders for whom balances are outstanding beyond the due dates. Various attempts are always made to collect these fees and if no resolution can be made, a lien is placed on the property to cover the outstanding balance. These liens are generally paid off, but only when a property is sold, which could be years or decades after the obligation was incurred in the account. Needless to say, the Town's Water Commissioners do not believe it is fair to ask all of the other water account holders to make up the difference between when an obligation is incurred by an account for what could be many, many years. The problem will become more acute when the Town joins the MWRA system and the Town is charged for each and every one of those gallons of water.

The problem is particularly acute with commercial accounts, where frequently the property is leased. There are presently about forty accounts in this category with unpaid and past-due bills. With leased property, the water user is not the property owner and a property lien will have little or no impact at all on the bill payment.

For such accounts, a property lien is ineffective to ensure payment of water bills, but the Town does have another avenue that can be effectively used. That avenue is covered in Wayland's Bylaws in Chapter 72-4 entitled "Denial, revocation or suspension of licenses and permits for failure to pay taxes or other municipal charges".

Under this bylaw, the Town Collector is to prepare a list every year of any and all parties that have neglected or refused to pay any municipal charge and for whom there is no good faith pending application for abatement. Under this bylaw, the Town's various departments are to deny the issuance of any permit(s) to parties that appear on the Town Collector's list until the obligation is met.

Denial of permits is an effective way to ensure that water bills are paid in a timely manner. Given the difficulty of collecting some of these bills, the Town's Water Commissioners do request the Town Manager and the Select Board instruct the Town's various departments to deny any permit to any party for whom a water bill is outstanding.

 S. Revise Town Code Chapter 43: Personnel – Invite attendance by MaryAnne Peabody, Chair of Personnel Board: W. Whitney invited Chair of the Personnel Board, MaryAnne Peabody, Bayfield Road and member of the Personnel Board Deborah Cohen, Forty Acres Drive, to join the meeting for discussion. Human Resources Manager, Kate Ryan joined the meeting via teleconference. K. Ryan indicated the version in the packet was the version that had been reviewed by Town Counsel. W. Whitney confirmed that the proposed updates to the Town Code were intended to reconcile Chapter 43 with the Select Board - Town Manager Act. M. McCall reported that Town Council had provided a recommended draft which eliminated the conflict between the Town Code and the Select Board-Town Manager Act. There was a discussion about the difference between the version in the packet and the rationale for the Personnel Board's revisions. D. Cohen noted there had been more revisions made that were not included in the packet. There was a discussion about policy being written into the bylaw.

T. Fay recommended the Board table its vote until a more final version is drafted. The Board requested a clean redline version of the document to support further discussion at the next meeting. M. Peabody reported that the Personnel Board was divided and she offered to go back to the Personnel Board for a new vote.

• T. Amend Zoning Bylaws and Town Zoning Map – MBTA Communities Multi-Family Housing:

T. Fay moved, seconded by C. Martin, to recommend approval of Article T. Amend Zoning Bylaws and Town Zoning Map – MBTA Communities Multi-Family Housing. In discussion, T. Fay thanked the Chair and the Planning Board for preparing the proposal and expressed support for the article. The Board concurred. Roll Call Vote: YEA: A. Brensley, T. Fay, A. Gutbezahl, C. Martin and W. Whitney. NAY: None. ABSENT: None. ABSTAIN: None. Approved. 5-0-0.

- X: Solar Agreements for Town Properties, renamed for Council on Aging Facility: The Board took no action.
- NN: Solar Compact Development for Wayland: W. Whitney noted that the Board had prepared a warrant schedule that was in conflict with Town Code, which authorized petitioners to make changes or withdraw articles up until the finalization of the warrant. W. Whitney noted that both Article KK and Article NN had filed changes as recently as Friday. W. Whitney noted that the lead petitioner for Article NN wished to move forward with the revised language and requested the Board refer it to the Planning Board. T. Fay suggested the Board consider a public Forum on Article KK.
 - W. Whitney cited state law which requires that the Board have within fourteen (14) days to refer zoning articles to the Planning Board. The Planning Board then has to schedule a public hearing within sixty-five (65) days and must render a report within twenty-one (21) days after the conclusion of the hearing. He added that zoning articles must be included in a report by the Planning Board, by bylaw.
 - W. Whitney questioned whether the revised petitioner articles could meet the requirements before the time the warrant would be printed. W. Whitney noted that the Board could print the original article submission which was the subject of a public hearing, then the petitioners could go forward with the original article and propose changes as an amendment on Annual Town Meeting floor. C. Martin noted the petitioners could also choose to withdraw the article.
 - W. Whitney reported that he consulted Town Counsel who opined that the new revised language could be included in the warrant, but if there was not a report of the Planning Board then someone could challenge whether Annual Town Meeting can act on it. M. McCall reported that there was an outstanding question if the revisions changed the scope of the original petitioners' article. He noted both could be revised on Annual Town Meeting floor.
 - M. McCall also reported that hearing related to the articles needed to be re-advertised for a fourteen (14) day period, which would re-schedule the public hearing because of the timing requirements. He added that if there was unfavorable action by Annual Town Meeting there could be a two-year delay on bringing back such an article.

The Board discussed hosting a public forum before it would take a position on the article. C. Martin expressed concern with the Board hosting a public forum because it would imply support of the petitioner's article when the Board had not yet voted. A. Gutbezahl agreed that support was implied by hosting the forum and did not see the benefit of holding a forum. A. Brensley acknowledged that the

article was controversial and that there was a value to a forum, but felt the article was ready for Town Meeting floor.

- b) Discuss and potential vote to refer revised petitioned zoning article (Article NN: Solar Compact Development for Wayland) to the Planning Board for review, pursuant to M.G.L Chapter 40A § 5:
 - T. Fay suggested the Board consider Article KK and Article NN at its next meeting. A. Brensley noted there Board was not obligated to act on the petitioner's articles. M. McCall noted that the revisions for Article KK were filed after the agenda had been posted, which is why the referral was not included on the agenda, the Board had fourteen (14) days to refer the matter to the Planning Board.
 - T. Fay moved to recommend approval of Article NN. T. Fay then withdrew the motion. T. Fay moved, seconded by C. Martin, to refer Article NN to the Planning Board for a hearing. T. Fay then withdrew the motion.
- T. Fay moved, seconded by C. Martin, to refer revised petitioner's Article NN: Solar Compact Development for Wayland to the Planning Board for review and report pursuant to M.G.L. Chapter 40A § 5. Roll Call Vote: YEA: A. Brensley, T. Fay, A. Gutbezahl, C. Martin and W. Whitney. NAY: None. ABSENT: None. ABSTAIN: None. Approved. 5-0-0.
 - KK: Amend Zoning Bylaw to Add Retail Self-Storage as Additional Commercial Use in a New Business B Zone Sub-district B-1: See above discussion with Article NN.

Rebecca Stanizzi, Winthrop Road, lead petitioner joined the meeting and sought opinion from Town Counsel regarding the procedure for filing a second hearing of the Planning Board. She added that most of the revisions were formatting changes requested by the Planning Board and did not change the zoning that was proposed. M. McCall noted that he was waiting for an opinion from Town Counsel on whether the revisions cause a new referral and public hearing. W. Whitney suggested to print the original version in the warrant and the petitioner could make the formatting revisions on Town Meeting floor. R. Stanizzi expressed preference to print for the revised version which was more accurate.

M. McCall noted that taking action to refer Article KK to the Planning Board was not explicitly on the agenda. W. Whitney recommended the Board invite Town Counsel to its Friday meeting and defer the vote. A. Brensley objected to deferring the vote on the article until Friday.

T. Fay moved, seconded by C. Martin, to recommend approval of Article KK: Amend Zoning Bylaw to Add Retail Self-Storage as Additional Commercial Use in a New Business B Zone Sub-district B-1. In discussion, A. Gutbezahl emphasized that the proposed zoning bylaw, as written, did not specifically award the community space to Arts Wayland. A. Gutbezahl took issue with the way Arts Wayland had been prematurely promised the space. R. Stanizzi noted that the zoning language could not include a specific non-profit. T. Fay asked if an RFP would be required to which M. McCall answered that the community space would be subject to procurement law. T. Fay expressed support for the article citing the need for commercial development in Wayland and acknowledged that it was private land subject to a variety of commercial uses. C. Martin expressed concern about maintenance costs of the proposed Town space and felt that it did not fit well together with a storage facility. W. Whitney felt that it was not the right parcel for a storage facility and questioned the revenue benefit. A. Brensley felt that the Board should not take a position on the article and that it was ready for discussion on Town Meeting floor. Roll Call Vote: YEA: A. Gutbezahl, T. Fay. NAY: C. Martin, W. Whitney. ABSENT: None. ABSTAIN: A. Brensley. The motion failed. 2-2-1.

• U: Fire Department Staffing Study:

T. Fay moved, seconded by C. Martin, to recommend approval of Article U. Fire Department Staffing Study with the addition of the funding source being ambulance receipts. Roll Call Vote: YEA: A. Brensley, T. Fay, A. Gutbezahl, C. Martin and W. Whitney. NAY: None. ABSENT: None. ABSTAIN: None. Approved. 5-0-0.

- A5. Grant Agreement: Discussion and possible vote to honor a grant agreement of American Rescue Plan Act (ARPA) funds to the School Department to fund Full Day Kindergarten, and to authorize Town Manager, Michael McCall, to sign all necessary and related documents:
- T. Fay moved, seconded by C. Martin, to honor a grant agreement of American Rescue Plan Act (ARPA) funds to the School Department to fund Full Day Kindergarten, and to authorize Town Manager, Michael McCall, to sign all necessary and related documents as presented in the packet. In discussion, M. McCall provided background on the basis of the grant agreement, which was reviewed by Town Counsel. M. McCall reported that Wayland had been considered a "foundation aid community" by Department of Elementary and Secondary Education (DESE), but could soon become a "minimum aid community" which would impact the expected Chapter 70 state aid. M. McCall recommended approval. Roll Call Vote: YEA: A. Brensley, T. Fay, A. Gutbezahl, C. Martin and W. Whitney. NAY: None. ABSENT: None. ABSTAIN: None. Approved. 5-0-0.

DRAFT Meeting Minutes
Select Board Meeting
Monday, March 22, 2024 at 10:30 a.m.
Wayland Town Building, Council on Aging Room / Remote
41 Cochituate Road, Wayland, MA 01778

Present, participated remotely: Thomas J. Fay, Adam G. Gutbezahl, Carol B. Martin and William D. Whitney.

Absent: Anne Brensley.

Also present: Town Manager Michael McCall and Town Counsel, Attorney Carolyn Murray, K-P Law, P.C.

A1. Call to Order, Review Agenda for Public: At 10:31 a.m., pursuant to Chapter 2 of the Public Acts of 2023, Chair W. Whitney called the meeting of the Select Board to order when a quorum was present. W. Whitney announced that the meeting would be conducted via remote means and that the public could also participate remotely via teleconference, he added that the meeting may be live-broadcast and/or recorded for re-broadcast. W. Whitney reviewed the agenda and announced each member by full name.

A2. 2024 Annual Town Meeting (ATM): discussion of ATM topics, including but not limited to:

- a) Review, insert and determine a position on articles, including but not limited to:
 - 1. S. Revise Town Code Chapter 43: Personnel: W. Whitney invited Human Resources Manager, Kate Ryan to discuss the revisions to Town Code Chapter 43: Personnel. K. Ryan highlighted the changes in the most recent draft being reviewed by the Personnel Board. K. Ryan indicated that the Personnel Board unanimously opposed the recent changes that the Town Manager had sent that morning and advocated for different language. K. Ryan reported that the Personnel Board did vote to approve the existing draft, in the packet, with proposed revisions. K. Ryan reported that the Attorney C. Murray had reviewed a draft in early March and then the Personnel Board provided further revisions on March 19, shortly after the Board had met on March 18.

Attorney Murray and K. Ryan reviewed the draft again and provided comments to the Board. The Board discussed the proposed revisions with M. McCall. M. McCall explained that Chapter 43 currently is in conflict with the Select Board - Town Manager Act and the Personnel Board is trying to further amend the Chapter in ways that changes its scope.

A. Gutbezahl suggested that the article was not ready for Annual Town Meeting, and it should be withdrawn. Attorney C. Murray reported there was no urgency to bring this to the 2024 Annual Town Meeting, but it would eventually be necessary to reconcile Chapter 43 of the Town Code with the Select Board -Town Manager Act. The Board agreed to allow M. McCall, K. Ryan and Attorney C. Murray prepare and present a final draft to the Personnel Board and then the Board would decide whether to include the article in the warrant or withdraw it.

b) Discuss and potential vote to refer revised petitioned zoning article (Article KK: Amend Zoning Bylaw to Add Retail Self-Storage as Additional Commercial use in a New Business B Zone Subdistrict B-1) to the Planning Board for review, pursuant to M.G.L. Chapter 40A § 5:

2. KK: Amend Zoning Bylaw to Add Retail Self-Storage as Additional Commercial Use in a New Business B Zone Sub-district B-1: Attorney C. Murray opined on the Article KK which was recently amended by its petitioners. Attorney C. Murray reported that when an amendment to a zoning article is submitted, it must be referred to the Planning Board regardless of the nature or extent of the amendments. T. Fay noted that petitioner's submitted amendments at their own peril, because doing so re-started the lengthy referral to the Planning Board. Town Counsel acknowledged that the petitioners could withdraw the amendments, but heard that the lead petitioner preferred to move forward with the Planning Board referral.

T. Fay moved, seconded by A. Gutbezahl, to refer the revised petitioner's Article KK: Amend Zoning Bylaw to Add Retail Self-Storage as Additional Commercial Use in a New Business B Zone Sub-district B-1 to the Planning Board for review and report pursuant to M.G.L. Chapter 40A § 5. Roll Call Vote: YEA: T. Fay, A. Gutbezahl, C. Martin and W. Whitney. NAY: None. ABSENT: A. Brensley. ABSTAIN: None. Approved. 4-0-0.

The Board discussed which version of the petitioner's article should be included in the warrant. Attorney C. Murray advised that the amended petition be printed in the warrant and further suggested the original version and its Planning Board report be included. Attorney C. Murray suggested the Board indicate in the warrant the amendments, public hearings and Planning Board report were pending. C. Martin noted that pursuant to Town Code the petitioner's comments on the revised version may not be included in the warrant if the Finance Committee did not have time to review and provide substantive comments on the amended version.

Attorney C. Murray noted it would be helpful but possibly confusing for voters to include the required Planning Board report on the original version. When asked how this situation could be avoided in the future, Attorney C. Murray acknowledged that Wayland's bylaw was unique compared to other communities as it allows petitioners to withdraw or amend a petition up until the finalization of the warrant. Attorney C. Murray suggested to repeal that provision of the Town Code and/or change the deadline for citizens' petitions to a date that allows more time for amendments to be heard by the Planning Board.

- 3. NN: Solar Compact Development for Wayland: W. Whitney noted that there was a hearing scheduled by the Planning Board to hear the original petitioner's zoning article. C. Martin noted that the revised text exceeded the word count allowed in the warrant. M. McCall added that the petitioners were considering withdrawing one or both versions of the petitioner's article.
- A. Gutbezahl moved, seconded by C. Martin, to defer its recommendation on Article NN: Solar Compact Development for Wayland until Annual Town Meeting. Roll Call Vote: YEA: T. Fay, A. Gutbezahl, C. Martin and W. Whitney. NAY: None. ABSENT: A. Brensley. ABSTAIN: None. Approved. 4-0-0.
- A3. Topics not reasonably anticipated by the Chair 48 hours in advance, if any: There were none.
- **A4. Executive Session:** At 11:20 a.m., W. Whitney moved, seconded by C. Martin, that the Select Board enter into Executive Session Pursuant to Massachusetts General Laws, Chapter 30A, Section 21 (a) (2) to conduct strategy sessions in preparation for negotiations with nonunion personnel, the Town Manager.
- W. Whitney declared that a public discussion of this matter may have a detrimental effect on the litigating, negotiating and/or bargaining position of the Town. Roll Call Vote: YEA: T. Fay, A. Gutbezahl, C. Martin and W. Whitney. NAY: None. ABSENT: A. Brensley. ABSTAIN: None. Approved. 4-0-0.
- W. Whitney noted that the Board would convene in Executive Session without Town Manager M. McCall but announced the Board may invite his attendance from Executive Session. The Board would reconvene in open session in approximately fifteen minutes.
- **A5. Return to Open Session: Announcement of possible vote taken to approve agreement with non-union personnel (Town Manager):** At 12:03 p.m. the Board resumed the meeting in open session. W. Whitney reported that the Board had been delighted with M. McCall's performance and as such the Board had approved an amendment to the Town Manager's contract with adjusted compensation and other terms.
- A6. Announcements and Public Comment: There were no announcements from the Board.

Richard Turner, Nob Hill Road, joined the meeting via teleconference and commended M. McCall on his first year as Town Manager. R. Turner informed the Board that the Moderator had agreed to present the Gossel's

Award at Town Meeting after the budget article. R. Turner also expressed his opposition to any storage facilities in Wayland.

MaryAnne Peabody, Bayfield Road, Chair of the Personnel Board joined the meeting via teleconference and read a statement on behalf of the Personnel Board. M. Peabody reported that the Personnel Board had approved the draft, with revisions and provided explanation for the proposed revisions. M. Peabody reminded the Board that Annual Town Meeting had previously approved an article that appropriated funds to hire a consultant to re-write the bylaw to comport with the Select Board-Town Manager Act.

A15. Adjourn: At 12:09 p.m., T. Fay moved, seconded by A. Gutbezahl, to adjourn the meeting. Roll Call Vote: YEA: T. Fay, A. Gutbezahl, C. Martin and W. Whitney. NAY: None. ABSENT: A. Brensley. ABSTAIN: None. Approved. 4-0-0.
