ADD: FORM FOR GENERAL BID, per attachment.

QUESTIONS AND CLARIFICATIONS:

1. **Question:** Per the Bid Form, Section 00100-10, D, Alternates, says that Alternates are forthcoming? Are there any alternates that we need to include in our Bid Proposal?

Response: Alternate information was first provided as part of Addendum No.1. Contractor shall refer to Addendum No. An updated Form for General Bid has been provided herein noting sub bid contractors and alternates accordingly. See Attachment.

2. **Question:** Per Standard General Conditions of The Contract, 7.06, A, “Such Subcontractors and Suppliers must be approved by the Owner”. Does this sentence stipulate that the Owner can refuse to allow a General Contractor to use a specific supplier or subcontractor? If the selected subcontractor is the low responsible bidder, who will the Owner be responsible to pay the General Contractor the difference in the contractor pricing?

Response: The Town reserves the right to refuse a specific supplier or subcontractor that is on the Massachusetts State Exclusion List or does not comply with the Massachusetts CORI (Criminal Offender Record Information) qualification requirements. General Contractors shall not submit any supplier or subcontractors for approval that is on the State Exclusion List or does not comply with the Massachusetts CORI qualification requirements.

3. Question: Is there a current list of General Contractor plan holders?
