

Addendum #1
TOWN OF WAYLAND
INVITATION FOR BIDS
#20-2009-IFB
DEPARTMENT OF PUBLIC WORKS
LIQUID RESIDUALS MANAGEMENT

NOTE: Submission deadline remains Thursday, September 19, 2019 at 2:00 PM

The Town of Wayland is issuing this addendum to provide information that was not provided in the original IFB package, as well as provide clarifications based upon questions received from Contractors relative to the project.

Acknowledgement of receipt of this addendum is required in all submitted bids.

A) The Town has received question(s) concerning specific information in the Construction Documents. This addendum provides responses to the following question(s):

1. Is the work prevailing wage? I have a ruling that says Sludge Hauling is not prevailing wage.

Response: The Town contacted the Division of Labor Standards for clarification on the application of prevailing wages as part of the IFB. The State provided clear separations between work that requires payment of prevailing wage rates and work that is exempt from paying prevailing wage rates. The Form of General Bid, Section 00300, has been modified to clarify the categories of work covered by prevailing wage rates and those that are exempt. Please see attached.

B) The plans and specifications are to be modified as follows:

Remove **Pages 00300-1 through 00300-3** and replace with the following 3 pages.

SECTION 00300

FORM OF GENERAL BID

Bid of _____ (hereinafter called "Bidder")*

(____) a corporation, organized and existing under the laws of the state of _____

(____) a partnership

(____) a joint venture

(____) an individual
doing business as _____

To the City/Town of _____, Massachusetts (hereinafter called "Owner").

Gentlemen:

A) The undersigned Bidder, in compliance with your invitation for bids for the project known as **Liquid Residuals Management and Disposal**, having examined the plans and specifications and related documents and the site of the proposed work, and being familiar with all of the conditions surrounding the construction of the proposed project including the availability of materials and labor, hereby proposes to furnish all labor, materials, and supplies, and to construct the project in accordance with the contract documents and the plans and specifications within the time set forth below, and at the prices stated below. These prices are to cover all expenses incurred in performing the work required under the contract documents, of which this bid is a part.

The Bidder hereby agrees to complete the work in coordination with the DPW to complete the work on or before the date to be specified in written "Notice to Proceed" of the Owner, and to fully complete the project before November 30, 2019. The Bidder further agrees to pay as liquidated damages the sum of Five Hundred (\$500.00) Dollars for each consecutive calendar day thereafter that the work is not complete as provided in the contract.

*Specify corporation, partnership or individual as applicable.

B) Bidder acknowledges receipt of and this bid includes the following addenda:

No. _____ Dated: _____

No. _____ Dated: _____

No. _____ Dated: _____

No. _____ Dated: _____

C) The Bidder agrees to perform the bid work described in the specifications and shown on the plans for the following contract price.

| Item No | Estimated Quantity* | Item Description and Price in Words | Unit Prices Dollars/Cents in Figures | Total Item Amount Dollars/Cents in Figures |
|---------|---------------------|--|--------------------------------------|--|
| 1 | 250,000 Gallons | Wastewater-derived Liquid Wastes removed from Wastewater Treatment Facilities - <u>Not Prevailing Wage Rates</u> Per Gallon in Words | \$ _____ | \$ _____ |
| 1A | 50,000 Gallons | Wastewater-derived Liquid Wastes from Septic Tanks – <u>Prevailing Wage Rates Apply</u> Per Gallon in Words | \$ _____ | \$ _____ |
| 2 | 25,000 Gallons | Holding Tank-derived Liquid Wastes – <u>Prevailing Wage Rates Apply</u> Per Gallon in Words | \$ _____ | \$ _____ |
| 3 | 27,000 Gallons | Water Treatment Plant Residuals - <u>Not Prevailing Wage Rates</u> Per Gallon in Words | \$ _____ | \$ _____ |

| Item No | Estimated Quantity* | Item Description and Price in Words | Unit Prices Dollars/Cents in Figures | Total Item Amount Dollars/Cents in Figures |
|---------|---------------------|--|--------------------------------------|--|
| 4 | 12 Hours | Cleaning Services – <u>Prevailing Wage Rates Apply</u> Per Hour in Words | \$ _____ | \$ _____ |
| 5 | 2 Each | 2-Hour Emergency Response Per Each in Words | \$ _____ | \$ _____ |

PAGE 00900-3 Measurement and Payment – Delete Item 1 and Add the following Item 1 and Item 1A

Item 1 – Wastewater-derived Liquid Wastes removed from Wastewater Treatment Facilities. Contractor shall provide adequate labor, equipment and materials at the location(s) identified by the Town for the collection, hauling, and disposal of the wastewater-derived liquid wastes obtained from the Town two wastewater treatment facilities. Wastewater-derived Liquid Wastes removed from Wastewater Treatment Facilities shall include wetwell, wastewater treatment plant residuals, and other liquids that were derived primarily from sanitary wastewater. Solids concentrations will vary and typically be between <0.1% to 3%. Higher percent solids may be encountered during tank cleaning and other process specific. Payment will be provided on a per gallon as approved by the Town.

Item 1A – Wastewater-derived Liquid Wastes removed from Septic Tanks. Contractor shall provide adequate labor, equipment and materials at the location(s) identified by the Town for the collection, hauling, and disposal of the wastewater-derived liquid wastes obtained from the Town septic tank facilities. Wastewater-derived Liquid Wastes removed from Septic Tanks shall include septage and other liquids that were derived primarily from sanitary wastewater. Solids concentrations will vary and typically be between <0.1% to 3%. Higher percent solids may be encountered during tank cleaning and other process specific. Payment will be provided on a per gallon as approved by the Town.
