

# **Addendum #1**

## **TOWN OF WAYLAND**

### **WATER LABORATORY ANALYTICAL TESTING SERVICES**

**#20-2024-IFB**

**NOTE: Submission deadline is revised to Thursday, March 5, 2020 at 3:00 pm**

This addendum provides responses to the following questions:

- 1. I noticed that there is a 20 mile radius from the lab to Wayland in the bid. Our main lab that would be doing the testing is >20 miles away, but we have a lab that is 17miles that can serve as a sample delivery and container pick-up location. Would this meet the 20 mile radius requirement for the bid?**

**Response: Yes**
