

# **Addendum #1**

## **TOWN OF WAYLAND REQUEST FOR PROPOSALS**

**#20-2030-RFP**

### **ADVANCED METERING INFRASTRUCTURE (AMI)**

**Submission deadline for receipt of sealed proposals remains Wednesday, December 4, 2019 at 2:00 PM.**

Acknowledgement of receipt of this addendum is required in all submitted proposals.

This addendum is issued to respond to a question and to provide a revised map.

**Question:** Is there a MS Excel version of the Life Cycle Cost Analysis Form available?

**Response:** At this time an MS Excel version of the Life Cycle Cost Analysis Form is not available. The Town will accept the Life Cycle Cost Analysis in either MS Word (as provided) or in MS Excel format if the RFP Respondent chooses to provide in this format. If the form becomes available in MS Excel format, it will be issued via addendum.

**Map of Wayland - Appendix B v2** is provided to correct the following addresses and physical locations:

- #2 Moore Road Water Station address and physical location revised to 41 Moore Road.
- #3 Water Treatment Building address revised to 101 Old Sudbury Road.
- Happy Hollow Wells are now shown on map.

*Issued: November 15, 2019*
