Dear John Sax,

The vernal pool application you submitted to the Natural Heritage and Endangered Species Program (NHESP) has been officially certified. Please see below for more pool information and links to view the Certified Vernal Pool (CVP) location on MassGIS.

Town:	Wayland
CVP # & Pool Name/Report #:	8123 (Loker Conservation Land Vernal Pool #1) / V1818
Pool coordinates (Lat./Long.):	(42.326582, -71.34228)
Pool Viewer:	OLIVER
Download GIS datalayer:	Certified Vernal Pools

**Note: Updates to the CVP layer are posted monthly.*

Please contact the DEP Regional Office for the town in which this pool occurs with all regulatory questions (DEP Regional Offices and Vernal pool Liaisons can be determined by visiting the NHESP Vernal Pool website at <https://www.mass.gov/service-details/vernal-pool-protection>). We encourage you to contact the NHESP with questions relating to the biological characteristics of vernal pools or the certification program.

Thank you for contributing to the conservation of a vulnerable resource by collecting and submitting the documentation needed to certify this vernal pool.

Sincerely,

Everose Schlüter, Ph.D.
Assistant Director
