# About this Property

**Hamlen Woods** is a 165.7 acre property with a 2.2 mi out-and-back trail.

There is a 1.9 mi loop trail that passes through Mainstone Farm, another Conservation area.

Much of Hamlen is heavily wooded old-growth forest. There are mixed species of oaks, maples, and evergreen trees.

Leaving the parking lot, the trail hugs the Snake Brook Dam Reservoir, a quaint pond that attracts beavers, fishers, bobcats, and other woodland mammals.
