Help Improve Public Access Cable TV

Hi,
I cannot attend the 3/18 meeting. I am away until 3/20.

I've edited and created these 2 docs for passing out Petitions at ATM. I can get them printed if you approve them at the 3/18 meeting. A motion for up to \$200 will be sufficient.

I also have a message to send out by email to groups in town for completing the survey and I have contacted many of those groups.

Best,
Ken
