

## Assessment (done every 5 years)

- Demographics
- Master Plans, Facility reports
- Surveys
- Official audit
- Output: un-prioritized and rolling “wish list”

## Prioritization (reevaluated yearly)

- From input, recommendations need to surface
- Town Owned Facility Master Plan
- Now has financials added into it (rough estimates,, timeline of public funding)

## Communication (as priorities shift and projects turn on)

- Transparent process
- Build trust & consensus through public meetings, forums, reports
- Plays advocacy role at TM
